Mr. Cutler:

(Sorry for the trouble)

- 1) Integrity inspection report: I hope this is it - sorry I didn't recognize it as something important.
- 2) Our policy always seems to take a month after the renewal date to get to us. However, the agent in Tri-Cities had just gotten the last of it and faxed me the part you need.
- 3) Copy of Reconciliation Method from USTMAN - once again, hope that is what you need.
- 4) attached

Melissa -

Please put all this in
your book too.

thanks,

Sue
